## About CDMG

Established in 1991, CDMG is one of the nation's foremost engineering companies serving industrial markets and customers. From its office in Southpointe (20 miles south of Pittsburgh), CDMG features a staff of experienced multi-discipline engineers and project management professionals. As a wholly owned subsidiary of STEVENS Construction, CDMG provides the resources to design and manage projects with a focus on efficient operations.

## Development Program

CDMG is looking for candidates to help us grow our operation. We are partnering with Oxford Solutions to find ambitious individuals who are looking for challenging and rewarding careers in all disciplines of the engineering profession. This program will help develop your skills to allow advancement to a long-term position with CDMG.
